Data Protection / Privacy policy:

At EDT we appreciate to have you as our business contact and we respect your privacy! We are a data-responsible company, and we treat your contact information with discretion.

To conform with General Data Protection Regulation ("GDPR"), which comes into effect today May 25th2018, we would like to inform you how we treat your information.

First of all, EDT only keep records of your contact information, such as:

Company Name: Addr. – Phone no# - Fax no. - Mail addr. – VAT no – Account no.

Contact name: Title - Phone no# - Mail addr. – IM addr.(SKYPE etc.)

This information is used only for communicating directly with you concerning the projects or product inquiries that you or your company has submitted to us, either directly by personal contact, or via telephone, IM service or per email or if you use our website inquiry form to contact us.

EDT uses Web Site Navigational Information to operate and improve the Company's Web sites.

The Company may also use Web Site Navigational Information in combination with Data about our Customers to provide personalized information about the Company.

We also use your contact information for direct marketing purposes, to inform you about EDT related events and EDT related newsletters, however EDT will not disclose your contact information to third party for data-processing purpose.

We hope that our content is useful to you. If you have any questions about which information we have stored related to your contact, or if you wish to be removed from our mailing list, please contact us by sending a mail.
